DANISH  **WINDMILL**

Dear Valued Customer:

We at the Danish Windmill are very excited to debut our new holiday catalog, complete with all of our iconic brands while also highlighting some new and unique gift ideas and decorations that we have picked up along the way. Our usual discounted prices are reflected by the catalog, but don't forget members receive an additional 10% off the entire order.

Our products are carefully selected to enhance our gift shop as a cultural extension of our windmill museum. Your purchase goes directly toward the preservation of the windmill and supports our organization's exhibits and programs.

Thank you for staying with us and supporting our organization. We look forward to another holiday season of good cheer and togetherness.

Mange tak!
Shaun Sayres

Ever since, a limited quantity is made each year, ensuring these collectibles remain cherished from one generation to the next.
